### PROPOSED GUIDELINES FOR APPOINTMENT AND PARTICIPATION OF OF OUT-OF-STATE COMMITTEE MEMBERS

The appointment of an out-of-state member to serve on a State Bar entity is permissible providing the following conditions apply:

- a. The potential appointee to the committee brings related expertise to the subject matter of the respective committee that is not readily available from in-state California attorneys;
- b. The appointed out-of-state member's participation on the committee causes no additional financial burden to the State Bar or other hardship for the State Bar committee;
- c. The appointed out-of-state member is subject to the same appointment process and review as in-state members.
